PRESENTS

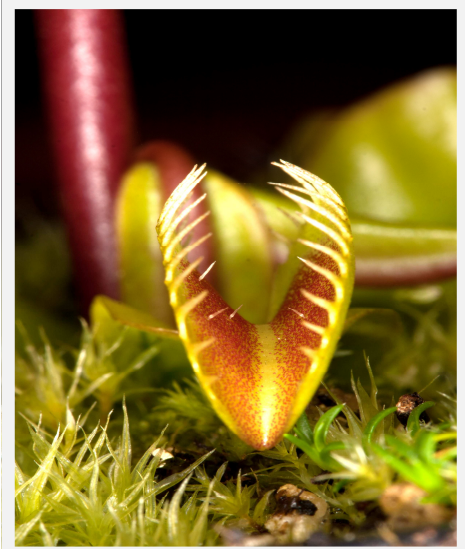

Mastering Macro Techniques

By Bob Brind-Surch

Biggleswade & District Camera Club extends a very warm welcome to Bob Brind-Surch. Bob's talk this evening is titled '*Mastering Macro Techniques*' and will be about the fascinating world of macro photography, which at first can seem very baffling and expensive. During the course of the evening, Bob will try to dispel both of these by

exploring the various options and techniques

available to the photographer, who wishes to experiment with macro photography, and capture images similar to those displayed on this poster.
